These diverters were done by a third party They have no dwgs and need some to troubleshoot an issue they are having. Looked through pmc and could find no detailed drawing for these diverts Emailed and left vm for Bill Lindsey to see what he has to say. Found a couple drawings but not sure if that is all. Will wait to hear from Bill.	Diane McBurnett	9/22/2014 10:00 AM
Got email from Bill and a couple others. They sent me the mechanicals and the two electrical drawings were the only ones. Emailed all this to Ken Certo.	Diane McBurnett	9/22/2014 10:00 AM
